We will have the insurance quotes available at our January 2013 meeting. A letter did go out to our current insurance company telling them that we are getting quotes from other insurance companies.

Bob McKie and Warner Price gave us a report on the meeting they attended in Bay City concerning the lake levels. Representatives from the Georgian Bay Area in Canada were at the meeting and are very concerned because their wells are going dry. The lake is at the lowest level since 1964, which it is presently 2" lower than it was in 1964. This could have a disastrous effect also on the boating and fishing in our area if these issues are not addressed. Our State Representatives and our County Commissioners, who were not even present at the meeting, need to take an active interest in this problem before it is too late. The next meeting will be on February 22, 2013, time and place to be determined. Contact your County Commissioner and State Representative and let them know they need to be present at this meeting.

Motion by Jim Roland, supported by Mike Ruth to adjourn meeting at 7:35p.m. Motion carried.

Respectfully submitted,

Theresa Mazure, Clerk
